Dear Parent/Guardian,

KAL sent communication via schools in October to inform parents that following a review of the KAL School Swimming partner package, KAL will be launching a KAL School Swimming Access Card which will provide free access to Public Swims at any KAL swimming pool from September to August for all pupils in the year group attending school swimming.

We are reopening the application pupils attending KAL School Swimming in 24/25 to encourage more pupils to apply for and use the Free Access to KAL Public Swims. This is a great way for your child to develop their confidence in the water as well as improve skills.

Please complete the following online form by Friday 14th March.

**KAL School Swimming Access Card Application Form 24/25**

Upon completion of the form KAL will process the cards and send out further information directly to parents.

If you have already applied for the card, you should have received an email to collect it from your local centre, please do not reapply if you have already completed the form.

Q&A's

Q: Can parents sign up more than one child?
Children must be in the pupil group attending KAL School Swimming in the current academic year. KAL will have the register of Pupils attending from schools so will cross reference this against applications.
Q: Can parents sign up at site?
No, applications can only be done via the Microsoft Forms online application form.
Q: Which swims are included in the access?
Only Public Swim sessions are included.
Q: What are the benefits of having the KAL School Swimming Access Card?
Accessing Public Swims outside of the weekly school swimming lesson will allow pupils to practice and develop the skills learnt during their lesson creating a greater opportunity for progression.

Kind regards,

KAL School Swimming
