Thursday 19th September 2024

Dear Parents and Carers,

As part of our commitment to celebrating the rich diversity and cultures represented within our school community, I would like to invite you to contribute some items that reflect your family's heritage. Lepton School welcomes families from as close as our local village of Lepton to countries located in several continents around the world.

I believe that showcasing the various cultures among us not only enriches our school environment but also fosters understanding and appreciation among our students. I would love to receive photographs, flags, recipes, or any other symbol that holds significance to your culture. These items will be displayed in a designated area of the school, allowing everyone to learn more about the traditions that make our community unique.

If you have any items you'd be willing to share, please ensure they are no larger than A4 size, where possible. We do ask that you only send originals if you are comfortable with the possibility that they may not be returned. Alternatively, you can send digital copies of photographs or documents to the school office via email (office@leptonschool.co.uk). This is optional so no obligation to send items to school but if you would like to share, please could they be contributed by Monday 30th September.

Thank you for helping me celebrate the wonderful cultures within our school. Your contributions will truly make this initiative special. If you have any questions or wish to discuss this further, please feel free to get in touch by directing an email to the office.

Thank you.

Mrs. Brook

Head of School/SENCo
