

# Father's Day 2025

For Father's Day, the PTA is giving your child the opportunity to craft a handmade wind chime for the special man in their lives, such as dads, granddads, uncles, and more.

The wind chimes will be created at school on 4<sup>th</sup> and 5<sup>th</sup> June 2025.

Please fill out the slip (sent home with your child) and return it along with full payment to the school by 2<sup>nd</sup> June 2025.
