## would you like a cute keepsake bear hoodie made from your own old school jumper?

- Ever thought about what you could do with those old scraggy school jumpers/cardigans?
- These cute bear hoodies are made entirely from old school logo jumpers or cardigans - I even try to keep any name labels! Each bear hoodie is unique and hand-made from your child's old school uniform. They make a fantastic keepsakes and so easy to store as your child gets older.

They can be made for your child's own teddy, or I can provide one.

Hoodie with bear £15.00
