Meet your teacher!

Mrs Brook

Most people would describe me as a football and chocolate lover... and they wouldn't be wrong. When I'm not watching my beloved Huddersfield Town or eating a tasty treat, I love spending time with my husband, Stephen, and my step-son, Ben. We like to go on biking adventures and also enjoy a movie night! I have been teaching for 15 years now and I still love it as much as I did in my first year; mainly due to the fantastic children we have here at Lepton.
